

SIGN THE PETITION TO REBUILD RANDWICK TAFE AND STOP PRIVATISATION!

To the Honourable Speaker and Members of the Legislative Assembly of New South Wales:

This petition of residents of New South Wales brings to the attention of the House that the NSW Government is continuing to decimate TAFE by reducing staff and courses, increasing fees for TAFE students and saddling students with large debts.

We, the undersigned petitioners therefore ask the Legislative Assembly to call on the NSW Government to:

- immediately commit to rebuilding TAFE as the premier provider of skills and vocational education;
- rule out privatising TAFE;
- stop ignoring the skills shortage in NSW;
- guarantee that TAFE students will no longer be asked to fill the funding gap that the Government has left behind; and
- increase the number of courses available for students in regional NSW, including bushfire and drought affected areas of NSW to help regional communities rebuild.
